Each vendor and sponsor must complete an application. Deadline for vendor applications is September 23rd. The last day for vendors to cancel and receive a refund is September 19th.

All booths will be located in the center of the event, either under the covered walk way in front of the building or in the parking area facing the building. We ask that each vendor provides a game or activity at their booth for the kids to enjoy as their families visit with each vendor. Examples of games and activities are bean bag toss, fishing for items/prizes, ring toss, etc. If you need assistance coming up with an activity for your booth, we would be happy to help provide more ideas.
